1. A tank unit was observed leaving the Oranienburg Concentration Camp on 7 April. It is believed that the unit left for summer camp. On 8 April, an anti-tank brigade quartered in the restricted Weisse Stadt settlement at Oranienburg was preparing to leave for summer camp, probably in the Neustrelitz area.
2. Two troop trains with four anti-tank guns, five sedans and fifty trucks of the Seventh Guards Tank Division were unloaded at Neuahaldensleben on 10 April.\*

\* Comment: This observation indicates that the Seventh Guards Tank Division is probably moving to Letzling Heath for summer training, as in the previous year.
